## Top 10 Reasons to Join the Chamber

### Economic Development

Become actively involved in preparing, developing and promoting our community for economic growth.

*When the community grows, so does your potential customer base!*

### Connecting

Meet people at multiple events. Exchange cards and information on who provides different goods and services.

### Building Relationships

In the era of relationship marketing, building relationships with potential clients and customers is essential to your business growth and expansion.

*People do business with people they know.*

### Involvement

Voice your opinions. Learn what others think and then work toward a common goal through participation, task forces and community groups.

### Visibility

Expose your business to a wider audience of business owners and decision makers. Enhance your name recognition. Expand your business with listings on the world wide web through the online membership directory.

### Business Contacts

Enlarge your circle of influence in the business community by meeting others at Chamber functions and working together. Your business is referred by phone, and 24/7 online.

### Community

Heighten your knowledge of how the community is moving ahead. Stay informed on how your business is affected by local, state and federal policies.

### Mentoring

Expend a hand to assist someone else. Share with others how you achieved your goals. Lead by example and enjoy the opportunity to learn from others.

### Making a Difference

Be part of the of the solution. Help move individuals and organizations toward future progress.

### Partnering with Like-Minded People

Share the load. Work together. Build your business. Help the community flourish.
